

International Students' Scientific-Practical Conference **THEORY AND PRACTICE: STUDENT INSIGHTS**

17 November 2016
Kaunas, Lithuania

International Students' Conference "Theory and Practice: Student Insights" is an event, which develops students' abilities to apply theoretical knowledge and practical skills in the analysis of various topics. During the conference, Lithuanian and foreign students will have the opportunity to share their experience, prepare for participation in other research and practical events, get to know each other, and have a good time.

Students are invited to prepare presentations and/or articles on the suggested topics. All articles will be reviewed. Accepted articles will be published in the conference proceedings.

CONFERENCE TOPICS

Student experience and perspectives in contemporary society in the following areas: social work, international business, law, social business, and ecotourism.

WORKING LANGUAGE

Conference languages are English and Lithuanian.
